Foreword

Our days within these gates have been full of meaning. The Augusta Men of the past have been our inspiration. Our comrades of today have been our joy. Together we have played and worked; side by side we have marched, each day, each year toward fulfillment. In this book we have attempted to record those days that—

When Time who steals our years away
Shall steal our pleasures, too,
The memory of the past will stay
and half our joys renew

—Thos. Moore.

Our Principal

Two Of Our Closest And

COLONEL CHARLES S. ROLLER, JR.

"Making Boys" has been the motto of our principal ever since he began teaching over fifty years ago. In that time thousands of boys have come and left Augusta and with the influence of "Big Boy" impressed upon them.

That influence has gone to the far corners of the world. Augusta under that same influence has flourished and especially so under the wise guidance of Col. Charles S. Roller, Jr.

He has devoted his life to the education of youth and he has kept abreast of the modern times to keep Augusta out in front where it ranks with the best of preparatory schools in the country.

Students past, present and future ones have and will continue to esteem him and love him for all the good he has brought to them throughout the long period of leadership of the only man in the world worthy of the title, "Big Boy".

Our Co-Principal

Dearest Friends, Always Ready To Help

"ALL"

MRS. JANET S. ROLLER

As Co-Principal of Augusta, Mrs. Janet S. Roller has more than lived up to the traditions thrust upon her. She has made Augusta her life and joy with all its sorrows and tribulations.

She has helped to share the many burdens that have been placed upon the shoulders of our principal and willingly has she done so and with courage and the approbation of all who come in contact with her.

Her personality is to give assurance that she is fully aware of her responsibilities. Her interest is a personal one and she is one to whom many can carry their troubles and she will give them the answer.

Her presence at our many functions adds that grace that is found only in ones that we love.

We admire her for her courage, we worship her for all that she stands for and we look to her for guidance in many problems that have arisen and may arise.

Augusta Military Academy

They Decided Wisely Our Course Of Action

For Our Stay At Augusta

Academic Board

Probably the most important functioning unit at Augusta is the Academic Board. It is this organization that passes upon all matters relative to academic program of the Academy. It prepares the schedules of all cadets and makes suggestions for the improvement of the academic system as well as all matters which pertain to the development and welfare of the school.

Heading this group of faculty is the chairman: Lt. Col. Herbert D. Deane; the vice-chairman is Lt. Col. J. C. McCue, Jr.; the secretary is Major Paul V. Hoover; the remaining members of the board are Maj. H. B. McCrum, Major F. M. Sizer, Lt. Col. W. L. Gardner, Capt. J. D. Kramer, Capt. Robert S. Hart, and Capt. C. E. Savedge.

It is up to them whether or not we shall be eligible to receive our diplomas on Graduation day in June.

We owe them a debt of gratitude which cannot be expressed except by the simple words: "Thanks for all that you have done for us and Augusta".

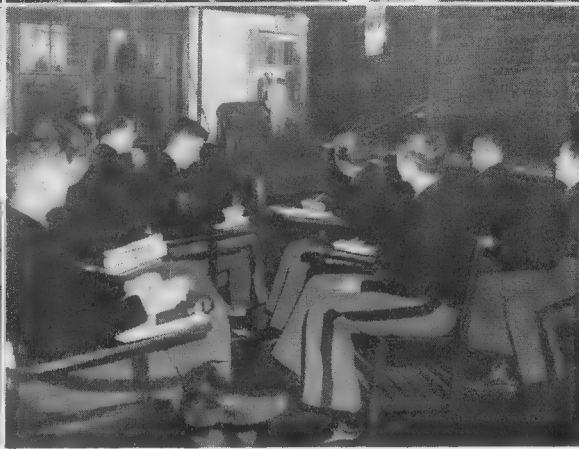

Top—Col. Deane, Col. McCue, Major Hoover.

Middle—Col. Gardner, Maj. McCrum, Maj. Sizer.

Lower—Capt. Hart, Capt. Kramer, Capt. Savedge.

Our Joys — Sorrows — Fun — Griefs

Top left—Capt. Lucas: "Work hard this year and next year, Spanish will be easy."

Middle left—Capt. Davis: "Study hard every day and the exams will take care of themselves."

Lower left—Capt. Baiz: "Breathe deeply, relax, fire—a bull's eye."

Top right—Lt. Claiborne: "Civics is a necessity for every intelligent man."

Middle right—Mrs. Davis: "Doing the correct thing now will pay dividends later."

Lower right—Major Sizer: "Pay attention to what I am saying."

Academic Faculty

LT. COL. HERBERT D. DEANE, B.S.

English

Col. H. D. Deane

As mathematics and English are our two most important subjects as preparation for college, Col. Deane, head of the Department of English supervises our study in this subject that we are well prepared for advanced work when we leave Augusta. His advice as well as his instruction will prove valuable.

LT. COL. J. C. McCUE, JR., B.S., M.S.

Science, Mathematics

Col. J. C. McCue, Jr.

Realizing the importance of science in today's education, Col. McCue goes all-out to see that we are not only well versed in Physics but that we understand that a continuation of such subjects are the necessities of a well educated man of today. We also see him at each football game, wrestling meet and the greatest of his loves—baseball.

MAJOR PAUL V. HOOVER, A.B., M. A.

Mathematics, Spanish

Major Paul Hoover

Major Hoover shows his interests in all of the cadets by not only teaching them academics but by finding time to coach them in Tiger Football, Fencing and Lacrosse—not to mention his invaluable work with the *Bayonet*, the *RECALL* and the Y.M.C.A. The latter would be lost without his work and counsel. His work in academics is evidenced by the success of his students in college.

MAJOR H. B. MCCRUM, L.L.B.

Mathematics

Major H. B. McCrum

Think of another part of a cadet's uniform and up comes the name of Major McCrum. His patience in that department is only equalled by his performance in the teaching of Algebra in which subject he has few equals. His work as Academic Board Adviser with the Honor Committee has helped many a boy on the road to happiness and success.

Can't Be Found Anywhere In The World

Academic Faculty

CAPT. ROBERT S. HART, B.A.

English

After taking a course under Capt. Hart, one can say honestly that he has been put through a thorough and intensive course of instruction which pays dividends in college. As adviser to the Debating Society, his efforts are well rewarded when his boys win honors whether it be at the regular meetings of the Literary Societies, with other schools, or at Finals.

Capt. Robert S. Hart

CAPT. OSCAR A. DAVIS, A.B.

History

No one has been taught history unless he has had at least one class under Capt. Davis. His methods of making a dry subject interesting are almost without comparison. He brings life into what ordinarily would be a boring subject. Then too, he finds time to advise countless cadets; which help is sincerely appreciated by all.

Capt. Oscar A. Davis

MRS. GLADYS R. DAVIS, A.B.

Seventh Grade

The ideal one to teach our Juniors, as she possesses patience, energy, ability, a rare sense of humor and justness. All cadets—not only the Juniors—adore her both as a teacher and as one to whom they can carry their problems and expert help and solution for them.

Mrs. Gladys R. Davis

CAPT. J. D. KRAMER, B.A.

Mathematics

You have never had a "real" course in math unless you have had Capt. Kramer in a subject. The success of his students in college attest to his ability to put this subject across. As the patient coach to the Jay-vee and Tiger Basketball teams and to the Jayvee Baseball teams, he has brought to a reality the opportunity of many to play a sport under a wonderful coach.

Capt. J. D. Kramer

Need Help? Ask These Our Friends

Academic Faculty

CAPT. GLENN D. KOOGLER, B.A.

English

Few men are as soft spoken and as well liked by everyone as is Capt. Koogler. His classes are always requested by cadets who admire his crack methods of teaching. Add to this his ability to bring out the best of talent in everyone who comes out for his favorite sport in spring-time—baseball—a sport in which he excells as coach.

Capt. Glenn Koogler

LT. COL. W. LEONARD GARDNER, B.A.

French, Plane Geometry

A true Southern gentleman who stresses academics at every turn and a sincere friend to all—faculty and cadet alike. His ability as instructor of French is well known as it is common for his students to place and take high honors in the State French Tournaments held yearly in Virginia. His work in Plane equals his success in French. A finer gentleman would be hard to find.

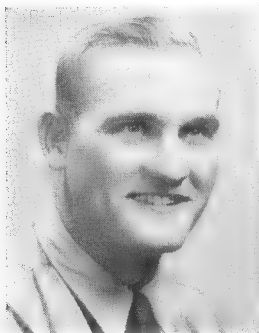

Col. W. L. Gardner

LT. JERRY CLAIBORNE, B.A.

Eighth Grade

One of the best teachers at Augusta as well as the best Coach we have ever had. His work in football, basketball and tennis prove beyond any doubt that Augusta has the best coach in all of these sports. Championships are becoming a regularity to AMA for his titles in football this past season and in basketball show what a coach can do when given the cooperation of the entire school.

Lt. Jerry Claiborne

CAPT. CHARLES E. SAVEDGE, A.B.

Biology, Chemistry, History

State Honors in Biology and Chemistry are as common to Capt. Savedge as athletic titles are to Coach Claiborne. It has become the expected to have students of this master instructor win a scholarship to William and Mary. Add to this his personal touch, which makes an ordinary dance into a "prom". His personal interest in cadets has helped many a cadet make the right decision.

Capt. C. E. Savedge

And They Responded To Our Call

Academic Faculty

CAPT. HERBERT W. LUCUS, B.A.

Spanish, Seventh Grade

A wizard at teaching Spanish for he is one who wants only the best and he usually gets it for his students succeed in Spanish II. His work with the Seventh Grade makes the students well prepared for Eighth Grade and High School—His work with Junior Athletics makes him a valuable addition to the school.

Capt. H. W. Lucas

MAJOR F. M. SIZER

History, English, German

Augusta stresses individual attention and Major Sizer is one of the greatest exponents of this virtue. It is common to have read out daily in the Mess Hall that so and so are to report to Classroom 19 immediately after drill. He is always willing to help whomever he can. A better friend would be hard to find.

Maj. F. M. Sizer

COL. WILLIAM C. LOUISELL, B.S.

*Mechanical Drawing, Remedial Reading
Commandant, Athletic Director*

Truly a genius when it comes to teaching drawing and a wonder to help you improve your reading ability and comprehension. A patient but firm disciplinarian, with a rare sense of humor and a true friend to everyone, faculty and cadet alike.

Col. W. C. Louisell

CAPT. JAMES S. FARRAR

Director of Band

One of our most capable instructors and in the division that brings honor and fame to the school as a whole. His work with the Band is short of a miracle. Their performance at many functions is always worthy of high praise. As a private teacher of music he cannot be equalled.

Capt. J. S. Farrar

MAJ. ALBERT S. DALBY
P.M.S. & T.

Tactical Department

We cadets of Augusta have been very fortunate to be under the military guidance of Major Albert S. Dalby, who is our Professor of Military Science and Tactics. He has endeared himself to us in many ways, such as being present at all athletic contests and social events, and sponsoring many others on the time allotted the military phase of cadet life.

He is always ready to help any and all cadets. His military bearing is a symbol for us to follow and gladly we do for we have grown very fond of him and have a deep respect for him.

Captain Raymond J. Baiz, Assistant P.M.S. & T., who came to us from the Alaska Training Center, Fairbanks, Alaska, and Ft. Geo. Meade, Md., has fast become a familiar figure to the cadets on the drill field. He has an intense interest in all activities engaged in and staged by cadets. His two years here both as an instructor and as Coach of the crack Augusta Rifle Team have instilled in us a deep respect for him.

Sergeant Paul H. Bratton came to us, September 10, 1949, from Ft. George Meade and his presence and understanding of cadet life at Augusta have made him an invaluable friend of the school and the cadets. We owe him more than words can express.

Sergeant James R. Hunt came to us from 101st Airborne Division, Camp Breckenridge, Ky. He was an artilleryman and has served with the Army Indoctrination Center, Alaska. He quickly won the hearts of all cadets by his sympathetic understanding of our problems.

Sergeant M. B. Owen has served with the 77th Division in Japan following World War II. During the late conflict he was with the engineering troops. He is a captain in the Reserve Corps and has also seen action in Germany. He is always ready to aid us whenever we come to him with a problem.

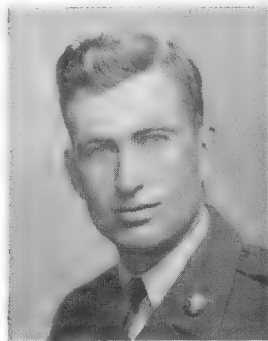

Sergeant John R. Wallace has come to us from Ft. Meade after spending 30 months in Japan with the Signal Corps. During World War II, he served overseas in Europe in Germany, Italy, Trieste and North Africa.

First Captain

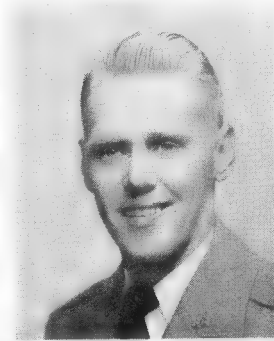

Roger T. Messick

Battalion Staff

As First Captain, Roger Messick has more than fulfilled all expectations. His military bearing and precision has left a model, for all to follow; his impartial dealing with every cadet has set a standard for all future commanders to set as their goal.

Cadet Adjutant

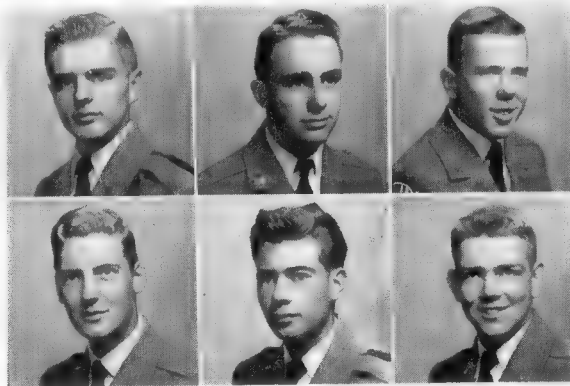

As Cadet Adjutant, Steve Anderson has done his finest work in 4 years. His stentorian voice bellowing out the day's orders; his command of precision at all parades and military functions; his performance to duty and his execution of orders have won for him the admiration of all.

Undoubtedly the 1951 Augusta Varsity Eleven will go down in the annals of history as the finest football team ever to carry the Blue and White Banner through a victorious season against the strongest set of opponents a team in the South could meet.

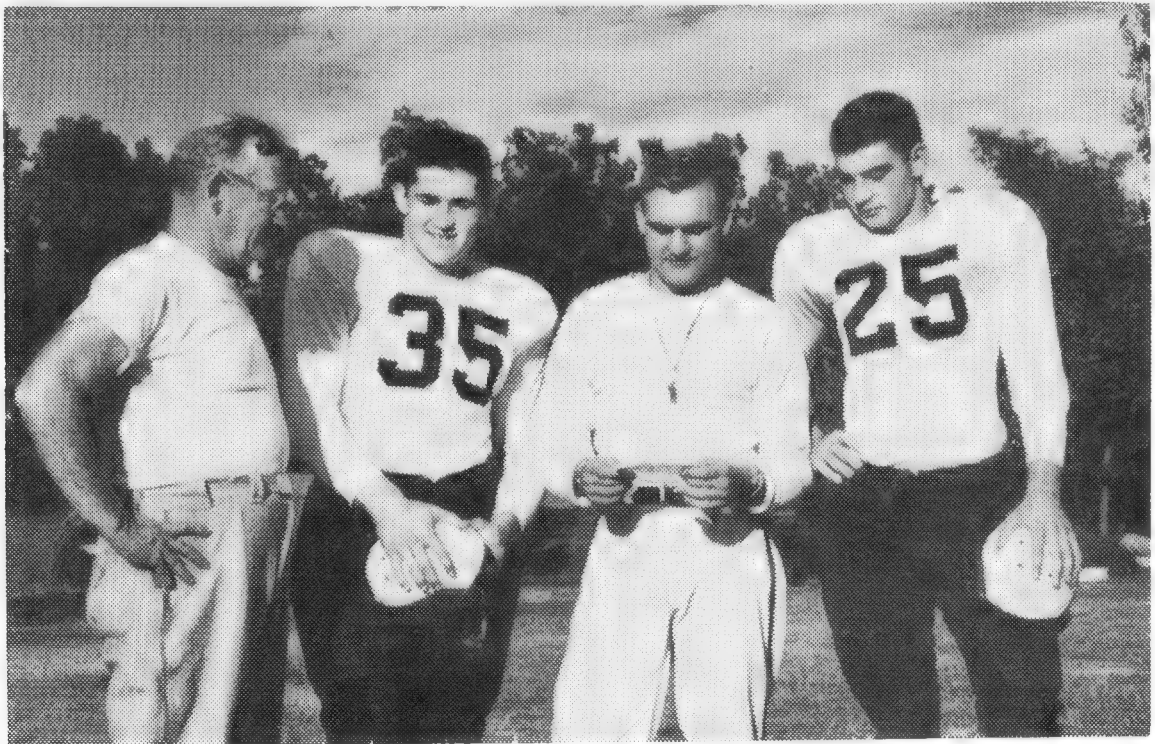

A single loss and that against the strong V. M. I. Jayvees and only by the close score 14-13 marred the almost perfect record.

In the annual All-State Military School Mythical Eleven as conducted by the Richmond Times-Dispatch, Augusta placed six players: Jerry Beatty at end, Jim Sadie and Duke Curnutte at guards, Dave Gebhardt at center, Jimmy Sedbrook at halfback and Bull Davidson at Fullback. This was the first time that an All-State Team ever had twelve players—Stamton Military placed five and Massanutten had the only other representative.

To pick out a single game as the most outstanding would be almost impossible but it can be said with pride and assurance that the game against Fork Union had the sweetest taste in our mouths for in that game AMA overwhelmed our ancient rivals and made amends for last year's 32-7 loss when we held them for three quarters with not a substitute entering the game.

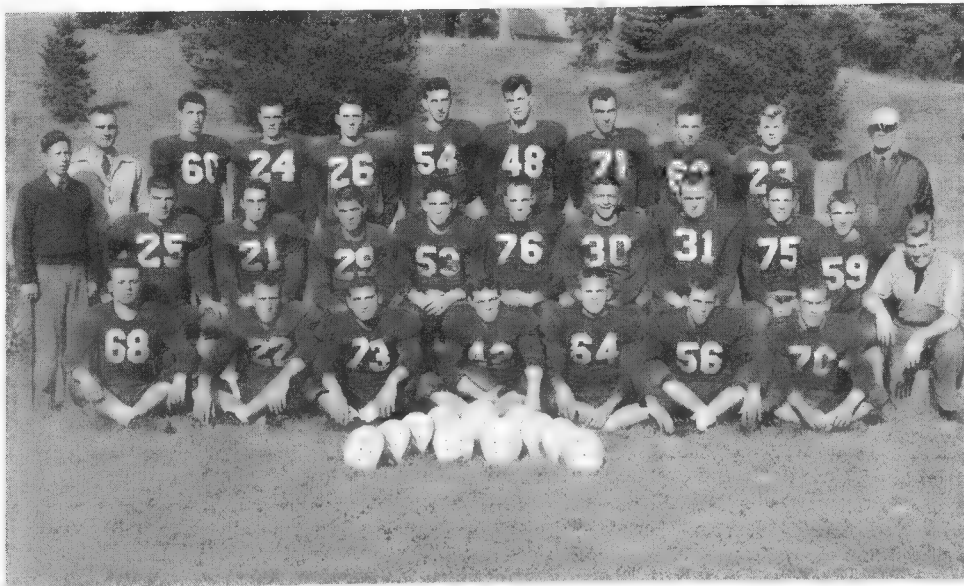

We salute Coach Jerry Claiborne and his able assistant, Col. Bill Louisell for the magnificent job they did in rounding out a Championship team.

AMA Coaches and Co-Captains Talk It Over

THE BOARD OF STRATEGY of Augusta Military Academy gets together prior to Augusta's home opener with the Virginia Tech Jayvees. Left to right, Assistant Coach and Athletic Director Col. W. C. Louisell, Co-Captain Harold Davidson, Head Coach Jerry Claiborne, and Co-Captain Jerry Beatty.

Best Team In The South

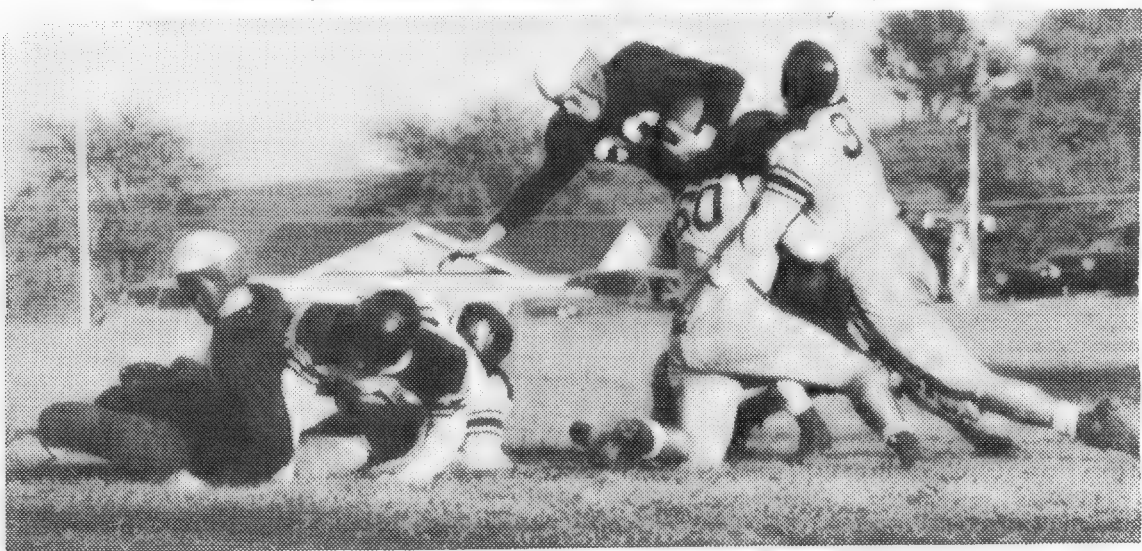

REAR ROW—Coach Jerry Claiborne, Barcellona, White, Gebhardt, Hudson, Firebaugh, Carroll, Doyle, Bogar, Coach Bill Louisell.
MIDDLE ROW—Mgr. Moore, Beatty, Budreau, Curnutte, Davidson, Dalatri, Sadie, Murray, DeHart, Riddle, Nunn, assistant manager.
FRONT ROW—Fulks, Williams, DeBenedictis, Sedbrook, Beaver, Arbuckle, Parker R.

In the opening game with Hargrave, Augusta dominated every phase of the contest. Despite numerous penalties in the first plays of the game, Bull Davidson went all the way from the AMA 45 for a score; Jimmy Sedbrook, halfback, made three tallies; Jerry Beatty made one on a pass from Budreau; Riddle on a pass from Williams, Barcellona on a short plunge for another and he kicked four extra points. Every man on the squad saw action for the only time of the season.

Jim Sedbrook and Bull Davidson shared honors as Augusta trounced VPI JVs, 14-0. Augusta's defensive game outshone its offense. The Techlets made many a valiant attempt to score but when the ball got within scoring distance, the blue and white defense stiffened and took over either on down or on interceptions of passes or on fumbles through hard tackling.

Jimmy Sedbrook Going Over For the First Score

JIMMY SEDBROOK is lifted off the ground and falls forward after being hit by a bevy of VPI Jayvee tacklers. The game was played at Fort Defiance, Augusta winning, 14-0. Sedbrook scored one of his team's touchdowns.

Well, The Goal Wasn't Too Far Away, At That

JIM SEDBROOK PICKS UP MORE yardage for Augusta Military Academy in their 27 to 21 victory over Columbian Prep of Washington. Davidson (53) moves in to lead interference while Columbia's James Rundle (36) tries to catch him from behind.

A missed placement attempt for the extra point brought the only defeat for Augusta as VMI Jayvees squeezed through by a narrow 14-13 decision. VMI led at halftime 7-0 but Augusta came back with a storm in the early minutes of the second half with Jerry Beatty completing a pass for one tally and Jim Sedbrook going five for another to put AMA in the lead 13-7.

With time waning, VMI used mass substitution to score and the strategy worked as AMA used but thirteen players against VMI's six full teams. Their try for the extra point was good and they won.

The next game with Aquinas Institute of Rochester, N. Y., made football history as Augusta handed the New Yorkers their second loss in fifty-two starts which began in 1947.

The first quarter looked as though Aquinas were going to walk away with the contest when they marched through AMA's line with Jimmy O'Dell going 56 yards for a tally. In the second quarter AMA came to life but got only as far as the Aquinas' 21 where they fumbled.

On the kickoff Augusta rolled to a touchdown with Barcellona adding 22 runback and then Jim Sedbrook went twice—on runs of 21 and 32—to score. Sedbrook duplicated Aquinas' Maury Ryan of a thirty yard run for a T.D. by his own of 23 yards.

Twice again Augusta scored with Bull Davidson made hole and yardage around end until he hit paydirt and with Evans Barcellona going through center and tackle for the final tally.

After the fourth AMA TD, the game was more or less of a rout as the blue and white team gained at will only to fumble in scoring territory.

Probably the most thrilling game for the spectator was the game with Columbian Prep of Washington, D. C.

Augusta came through with a quick tally when a pass from Williams to Beatty was good and Barcellona's extra point was good.

Columbian Prep came back with an interception of one of Sedbrook's passes and added another of their own. Shortly thereafter when they again obtained possession of the ball they scored again on a pass to lead 14-7 as halftime came.

Early in the third quarter Columbian's Johnston flopped on an AMA fumble which led to their third and final score.

As the fourth period began AMA got under way as Sedbrook ran the kickoff back to the Columbian one yard stripe. He scored on the next play. Later when AMA got the ball on downs Sedbrook scored on a pass from Williams to make it a 21-20 game.

With four minutes to go AMA started another drive which ended with Sedbrook going over for the final and winning tally.

Augusta went to Fork Union and literally tore their defense to shreds and unleashed an offense which baffled its opponents and walked off with a 28-12 victory.

The first quarter was a defensive duel and in the second period Dalatri broke through to spill Wilson who fumbled with AMA recovering. Sedbrook scored and Barcellona converted. Shortly thereafter, Barcellona carried the ball on a lateral to the FUMA 32 with Sedbrook going over again.

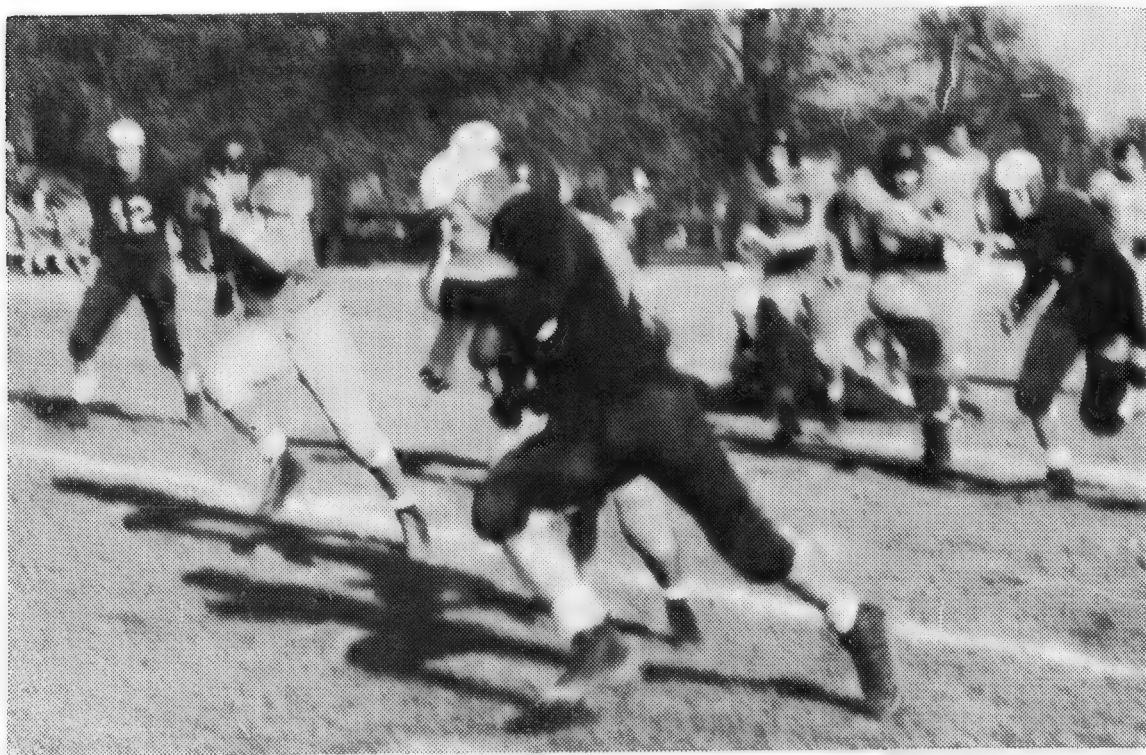

In the second period Sedbrook caught Price's punt and weaved through the entire FUMA team for another score made possible by excellent blocking.

In the third stanza Augusta let up and Rumberger went through the AMA secondary for their first score.

In the final period Davidson scored once but the ball was called back on a penalty but Sedbrook made up for this when he again weaved through FUMA for a T.D.

A pass from Budreau intended for Parker fell in the hands of Rumberger who scampered fifty yards for a T.D.

Shortly thereafter Beatty tackled FUMA's Rumberger behind his own goal for a safety and the game ended at this point.

HAROLD DAVIDSON is shown lugging the leather for paydirt as he went 60 yards for the second Augusta score in their 28-0 victory over Greenbrier Military School.

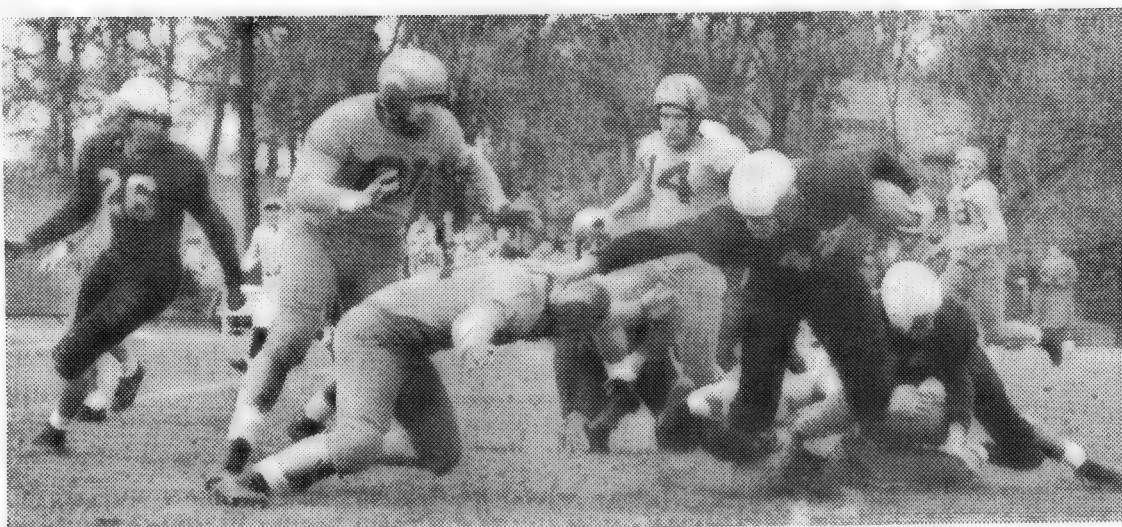

Against Greenbrier, Bull Davidson alone accounted for 220 yards and 2 touchdowns to lead his teammates to victory. He shared their honor with Sedbrook who performed as usual. Barcellona made the other score for Augusta and kicked one of his four extra points from seventeen yards out from the goal posts.

Massanutten tried her best behind the efforts of their star fullback, Jim Randall, All-State player, but he scored only once as they wilted before the AMA onslaught. Augusta did everything but hold on to the ball. However, they did hold on long enough to score four times.

With but fifteen seconds to go in the first half after Augusta had fumbled time and again, Williams shot a pass to Sam Arbuckle to score.

In the third period Bull Davidson was a thorn in the MMA defense as he broke through time after time and for two tallies.

In the final period Sedbrook scored the final TD for the blue and white team.

JIMMY SEDBROOK, ace Augusta Military Academy halfback, fights for balance as he battles his way for yardage against Massanutten. His team won, 29-6.

In the Thanksgiving Day Classic, Augusta playing without the help of some of its star players, found good substitutes in their replacements, Bill DeBenedictis, and Roger Messick. As usual Sedbrook stole the show with his flashy running and touchdown jaunts. DeBenedictis went sixty yards for the first score, only to be followed by Sedbrook who went over from the five.

As the halftime came around FMA recovered a fumble on the AMA 25 and Morris shortly thereafter went over to make the score 12-6 favor AMA.

Sedbrook and Barcellona teamed up for the third AMA T.D. The fourth came when Williams went over after his teammates carried the ball to the one yard stripe. Sedbrook scored the final T.D. early in the fourth period, this tally being set up on a pass interception by Gebhardt.

This game gave Augusta undisputed claim to the State Military Title as she had won all against prep school competition and against more opponents of the mythical military league.

JIM SEDBROOK (42) was pulled down from behind by Fishburne's Connie Kurtz after he broke into the open and went 45 yards to the visitors 7 yard line.

Penalty, Extra Drills and Academics prevented the Augusta Tigers from playing an extensive schedule this year. Despite this and other obstacles, the Tigers, nevertheless, showed that what they lacked in offensive powers was overshadowed by their defense against stronger teams.

In the opening game with Fishburne, the contest was even throughout the entire game. FMS managed to score on a runback of a punt and made good the extra point.

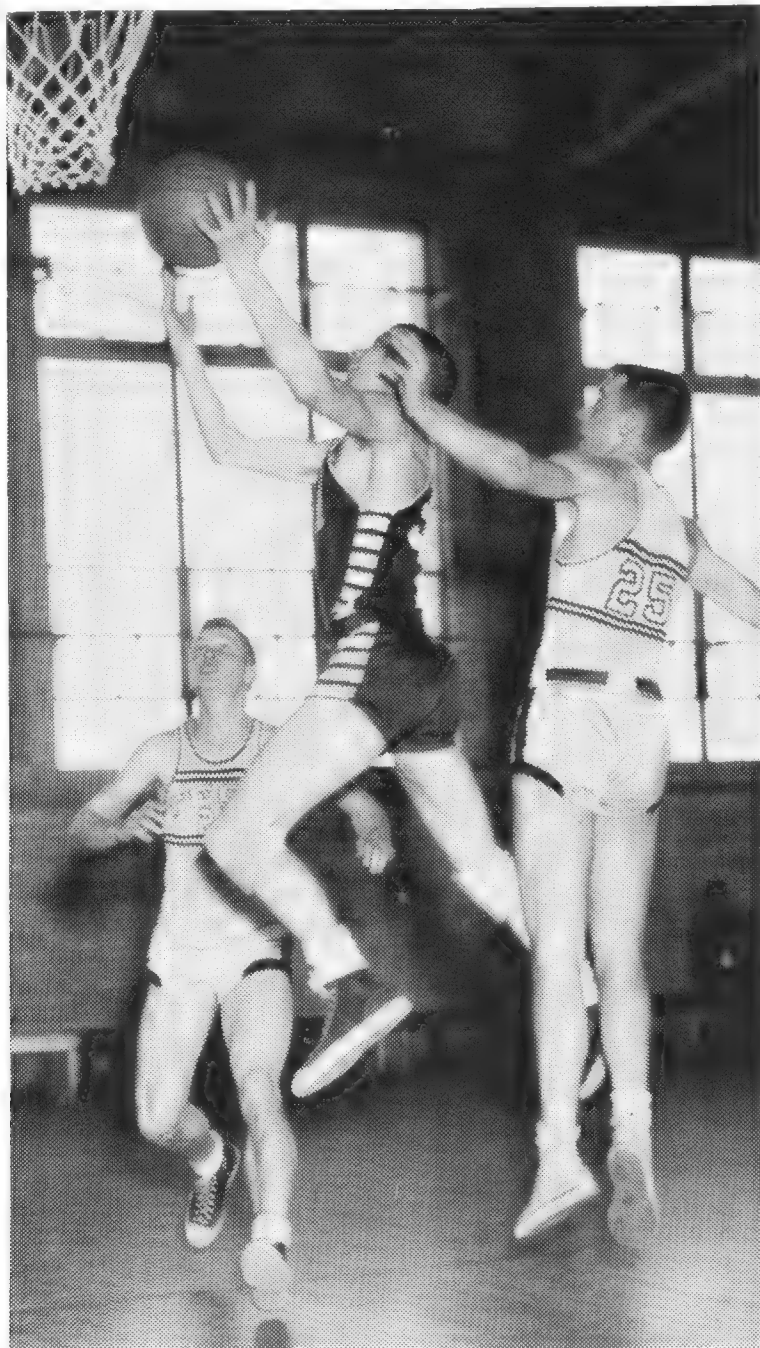

In the game with Fork Union, Augusta stopped every offensive thrust its opponent made except when a runback of a punt gave the deciding score of two evenly matched teams.

Against V. S. D. B., Augusta took advantage of its weight and height to smother its opponent. Ernie Calvo went forty yards for the first tally with Bair making the extra point. The outstanding play of this game was Johnny Cake going through center for sixty yards and the final tally.

In the final game with Fishburne, Augusta made six fumbles, all of them in the shadow of their own goal to give four touchdowns to her opponent and the game. The shining play of this game and the season came at the opening of the second half when FMS's kickoff went to John Cake, AMA safety man, who scampered 80 yards behind excellent blocking on the part of his teammates for the only AMA tally in the game.

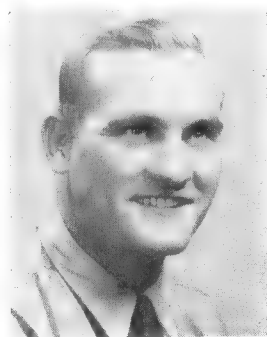

Not A Team of Stars But Fellows Who Wanted to Play This Game

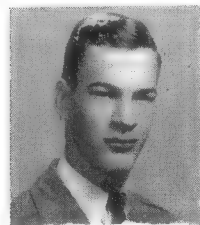

FLOATING THROUGH THE AIR with the greatest of ease is Augusta Military Academy's Al Doyle, going up for a basket as his team dropped a 56-68 verdict to the jayvees of Virginia Tech. Techlets on the scene are Ed Crouch (25) and Kenny Boerner (left).

Manager

Due to factors beyond our control our varsity basketball team did not live up to our previous expectations. Withdrawals from school removed many a good player which left to the coach a job of revamping a team from the remaining squad members.

This task almost unachievable, was accomplished in the usual way Coach Jerry Claiborne handles such problems. Beginning with a green but eager group of ten boys, our coach developed them into a close and hard-working quintet which gave many a team the scare of its life.

Victories over Hargrave Military Academy and the Jayvee Team of the University of Virginia were the highlights of an otherwise mediocre season.

Many a game was close and especially the final one of the season when Fishburne came to Fort Defiance, needing only a win over AMA, to clinch the title. Playing our usually good game, we gave them a fight only to succumb 56-60.

Coach Claiborne deserves congratulations for the fine work he did with a good set of true Augusta courtmen.

CHAMPIONS TOP TO BOTTOM

Bowers, Ward, Fox, Messick

Undoubtedly one of the finest, if not the best, swimming team ever to carry the blue and white banner.

Against its traditional opponent, Fishburne, Augusta took every first place as Bowers, Fox, Bair, Ward, Warihay (two firsts), Angle came in far ahead of their rivals. The blue Medley Relay and the 200 yard Free style relay also outdistanced their rivals.

In the opening meet with Richmond YMCA, Messick took two firsts in the 50 and 100 yard free style. Bair took first in the 200 yd. free style; Ward first in the 100 yard back stroke; Angle first in diving; the Medley Relay team came in first.

Warihay's disqualification in the individual medley gave Granby a 40-35 win in a meet in which Messick again took first in his specialties—the 50, and 100; Warihay came in first in the 100 yard breast stroke; Ward first in his 100 yard back stroke.

Against the V. P. I. JVs, Augusta took seven first in the 50 free style with Bowers; Fox in the breast stroke; Ward in the backstroke; Warihay in 100 yard free; Angle in the diving; the Medley Relay with Ward, Fox, and Bowers; the individual medley with Warihay.

Against the Virginia JVs, Augusta ran up against its stiffest opposition but still managed to win firsts in the 50 and 100 free style with Messick; 100 yard breast stroke with Warihay; and the 200 yard free style relay with the powerhouse of Messick, Bowers, Warihay and Bair.

Second Place In Southern Interscholastics

Further proof of Augusta's outstanding swimming team was evidenced at the Southern Interscholastics held at the University of North Carolina where the Blue and White team tied Seawannee for second place honors.

Roger Messick took first in the 50 yard free style and lost another first in the 100 yard free by the narrow margin of six inches. Parker Ward took first in the 100 yard backstroke. The Blue Medley Relay took second. Augusta placed in every event with the exception of the diving event.

In the state meet held at the University of Virginia, Augusta ran away with the meet as was expected. Four first places were taken by the blue and white team: the 50 yard and 100 yard free style Roger Messick far out in front; the 100 yard breast stroke wherein Jack Fox outdistanced his nearest man, James of Richmond who had previously defeated him in a dual meet; the undefeated Medley Relay team not only came in first but broke its own record.

In the first heat of the 50 yard free style, Roger Messick broke the pool record of 24.5 by making the distance in 24.4.

Jack Bowers won his heat in the 50 and went on to take second in this event. Johnny Warihay and Nick Herrera took third and fourth in the individual medley.

Parker Ward in the 100 yard back stroke after coming in first and breaking the pool record was found to be declared ineligible due to an illegal turn on his last lap.

Jack Bair came in fourth in the 200 yard free style.

The 200 yard free style relay came in third to climax a most glorious season which ended in a championship team for Augusta.

In the foil Buddy Rudolph took all three of his bouts while Otto Cuervo took two of his three and Corky Gardner and Lew Mundin took a single to sweep this weapon.

In the Epee Phil Thomas took two of his three and J. A. Fernandez took a single.

In the saber Walt Parkerson took two of his three bouts while Hank Harris took one.

Against North Carolina Jayvees, Augusta was held to a tie, 13-13.

Rudolph and Gardner took two apiece and Mundin one to sweep the foil 5-4.

In saber Harris and Rudolph took a single bout apiece.

In the epee Steve Anderson took two and tied his third bout; Phil Thomas won two and Tommy Simmons a single to lead this weapon 5½-3½.

Gloriously Did They Win And Lose

Against the United States Naval Academy, Augusta was very low on its reflexes and permitted Navy to hand the blue and white fencers the worst beating in the history of the sport at this school 24-3.

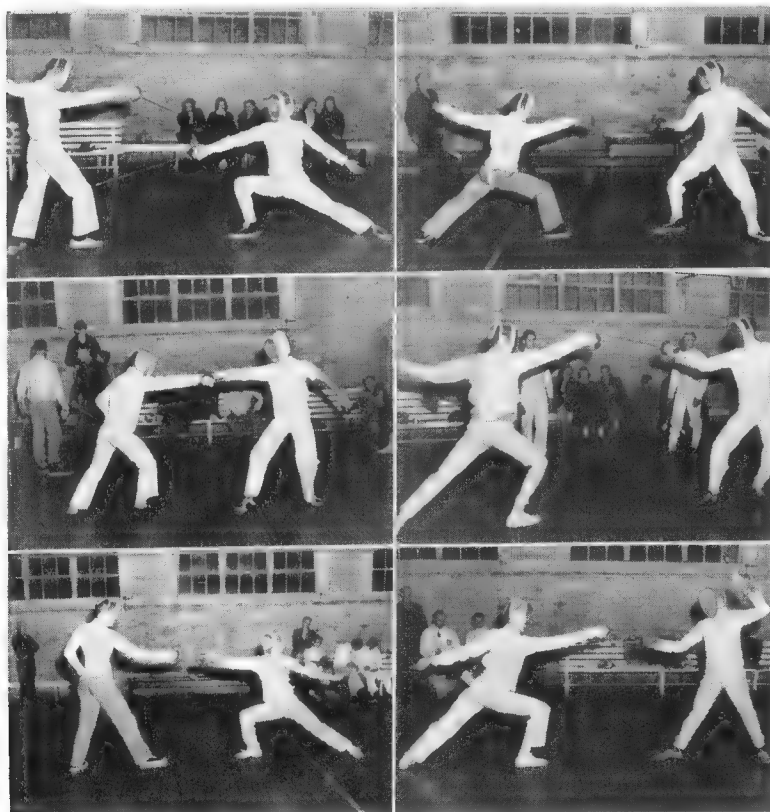

The only bright lights were in the epee weapon where Phil Thomas, Tommy Simmons and J. A. Fernandez took a single bout each to give AMA its only points in this usually hard fought meet.

Against the Johns Hopkins University Freshmen, Augusta turned the tables and came in for a well-earned victory. Hopkins took the saber event 8-1 with only Hank Harris winning a match. However, Augusta turned the tables in the epee event by the same score with Phil Thomas winning all three, Anderson two and Tommy Simmons two and J. A. Fernandez a single.

In the foil Lew Munda and Corky Gardner took two apiece with Buddy Rudolph, Otto Cuervo and Jim Hassell (his first match this year) taking a solo.

From a general standpoint the 1952 Wrestling team had a good season despite the length of the loss column when compared with the wins.

The lower weight division accounted for the wins generally in the meets as this group had boys who had done a bit of wrestling last year. The difficulty lay in the higher weights where new material was lacking in experience.

Despite all these obstacles Bill Stanley did a magnificent job in developing the material that responded to his call.

In the opening meet with Jefferson High School, Johnny Cake had a draw in the 112 lb. class; Manuel Balbis decisioned his man in the 128 lb. class; Manuel Gutierrez decisioned his 145 lb. opponent; Whit Sessoms threw his man in the 165 lb. class as did Duke Curnutte in the heavyweight class.

Against Woodrow Wilson High School of Beckley, West Virginia, Augusta got going and won when Peyton Moore threw his man in the 105 lb. class; Johnny Cake threw his man in the 112 lb. division; Terry Duval decisioned his man in the 121 lb. class; Manuel Balbis did the same in the 128 lb. class; Gutierrez won by a decision in the 145 lb. class; Sessoms drew in the 165 lb. division.

In This Single Year of Practice

Against its perennial opponent the same outcome took place as Augusta pinned the ears of VSDB of Staunton 24-14.

Menendez won by decision in 96 lb. class; in the 128 lb. class Balbis also won three points; Ken Hoke won a tie in the 133 lb. class; Gutierrez pinned his man in the 139 class; Wattay got a decision in the 145 weight class; Jolliffe and Harwood won decisions in the 165 and heavyweight classes.

In the state meet held at the University of Virginia, Augusta fared very well. Peyton Moore took first place in the 96 lb. class thus improving his last year's outstanding performance when he came in second.

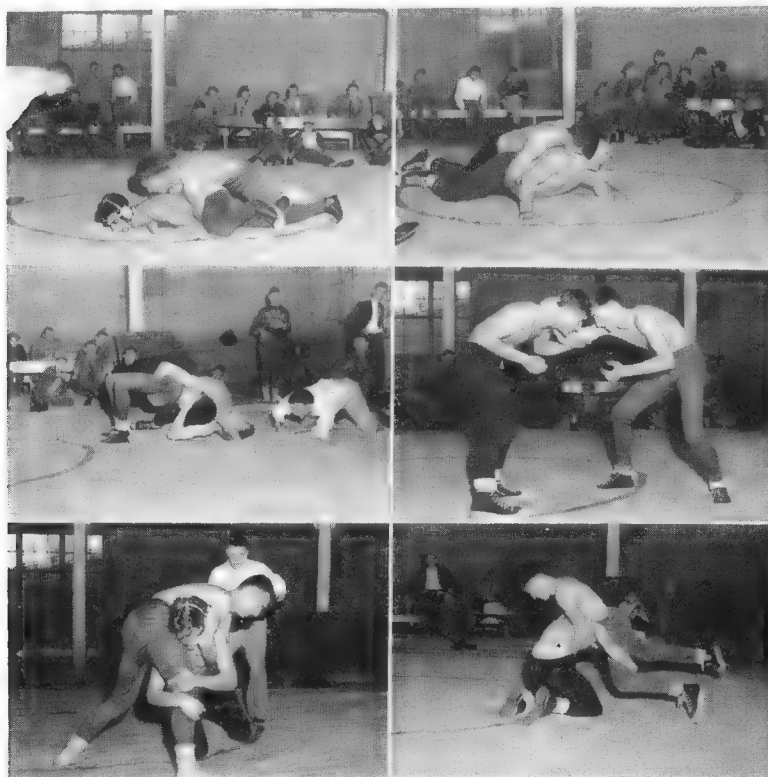

Manuel Balbis and Ty Jolliffe took second places in the 128 and 165 lb. classes.

Manuel Gutierrez came in fourth in the 139 lb. division.

Against its traditional opponent, Woodberry Forest, Augusta got close but never achieved its goal. Menendez, Moore, Balbis, Gutierrez and Harwood all won decisions in the 96, 103, 128, 139 and heavyweight classes.

In the return meet with Woodberry, Peyton Moore threw his man in the 105 lb. class; Johnny Cake decisioned his man in the 112 lb. division; Balbis won a decision in the 128 lb. class; Ty Jolliffe decisioned his man in the 165 lb. class.

History of This Sport At This School

Undoubtedly the 1952 Rifle Team of Augusta will go down as one of the finest in the history of this sport.

Time and again when the corps thought that another rifle match was under way, little did anyone know that with each meet the team developed more and more until the eighth opponent had been met and all met defeat at the hands of our marksmen.

Throughout the entire season Captain Pete Angle exhibited a firing skill here-to-fore unheard of and unbelievable. His consistent shooting gave his teammates a model to follow and which they did in a most military manner.

In the annual Hearst National Trophy Contest, Augusta placed third.

In the Second Army Contest, Augusta came in second.

In the National Intercollegiate Contest of the Second Army, Augusta again came in second.

The 1952 season will go down as one of the best of the Tiger Basketball teams.

The opening game with Mt. Sidney saw our team playing its opponents closely but unsuccessfully. Ben Hansel with 10 points and Don Riddle with 9 were top men for the blue team.

Against the Lee Hi Jayvees we had little opposition; this time Dick Chichester being top with 22 followed by Riddle with 16.

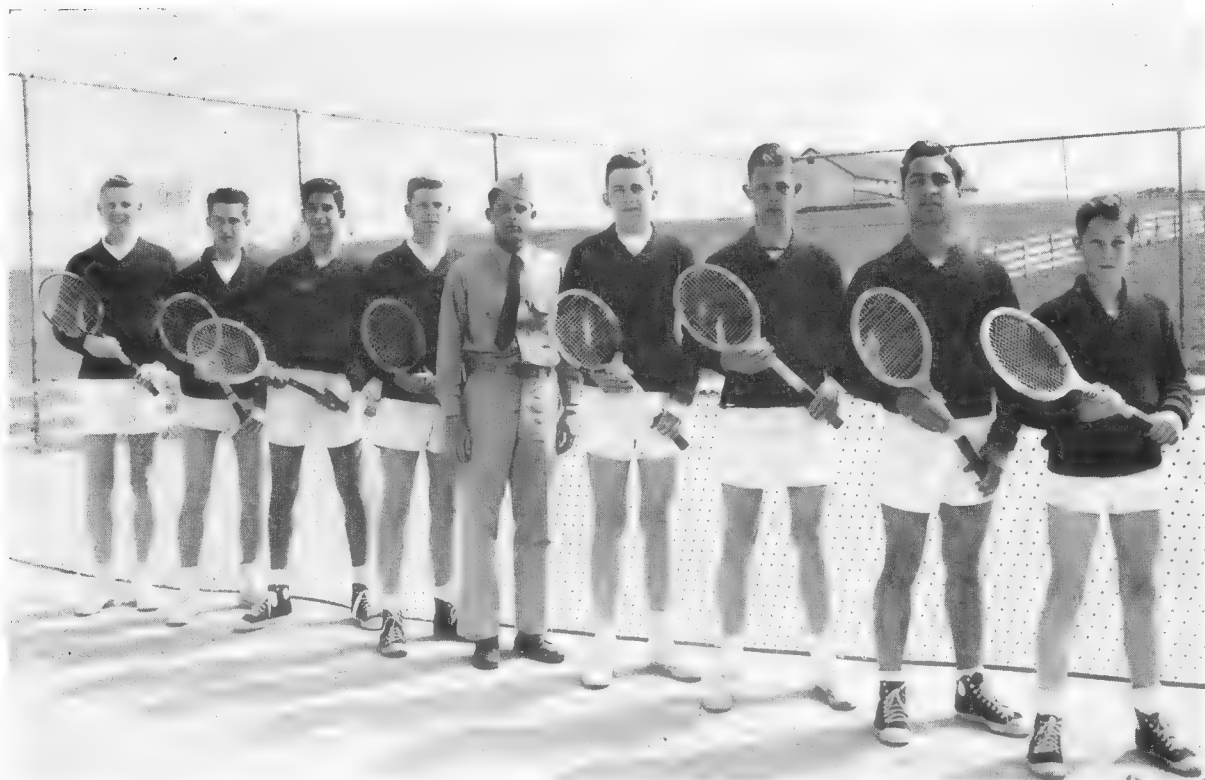

In the return game with Mt. Sidney we made up for the initial defeat. Again Chichester and Riddle led the high men with 20 and 12.

The second game with Lee Hi was as easy as the first; this time Riddle was top with 21 and Hansel next with 19.

In the game with Woodrow Wilson Hi JVs, we thought we had an easy game and started with the second stringers. WWHS ran up a lead which our first team was unable to overcome. Riddle with 8, Chichester and Janney with 7 were high men for the blue team.

In the final game with VSDB, we ran into trouble but managed to win by the close 45-43 score. Again Riddle and Chichester were high.

Officers of the Student Body

SESSION 1951-52

<i>President</i>	PETE ANGLE
<i>Vice-President</i>	ROGER T. MESSICK
<i>Secretary</i>	SAM QUILLEN
<i>Treasurer</i>	STEVE ANDERSON
<i>Sergeant-at-Arms</i>	TOM MITCHELL

For the first time in the history of the school, a new system of selecting officers of the student body was inaugurated. The faculty met in session and voted upon nominees offered by Col. Charles S. Roller, Jr., Principal.

Those elected by the faculty in order of their position of office were: Pete Angle, Roger Messick, Sam Quillen, Steve Anderson and Tom Mitchell—all outstanding cadets in previous years.

Under the leadership of Pete Angle the officers of the student body instituted many new ideas which have made this year an outstanding one.

They, in collaboration with the Steering Committee of the Faculty, revised the Honor System which now functions in a very satisfactory manner.

Wisely Giving Just Decisions

The Honor Committee

The Honor Committee this session was made up of the five officers of the student body plus the officers of the Third, Second and First Year Classes. The officers of the Third, Second and First year were elected by members of their own classes

Whenever the occasion arises for an Honor Committee Trial, these gentlemen will met in secret session with Major H. B. McCrum of the Academic Board. After they have come to a decision, the decision will be passed on to the Academic Board meeting with the Commandant to pass upon, revise, approve or reject the decision of the Honor Committee. Then the decision of this Board will be passed on to the Prinicipal for final consideration.

It is felt by faculty and cadets alike that under this new system, justice will be met.

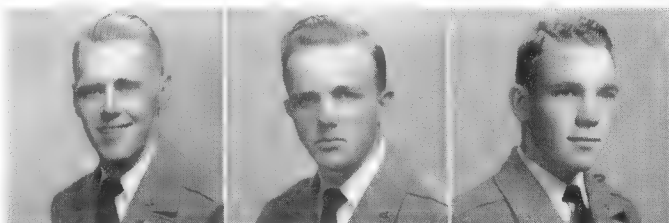

THE HONOR COMMITTEE

SESSION 1951-52

In addition to the Officers of The Student Body the following men will compose the Honor Committee:

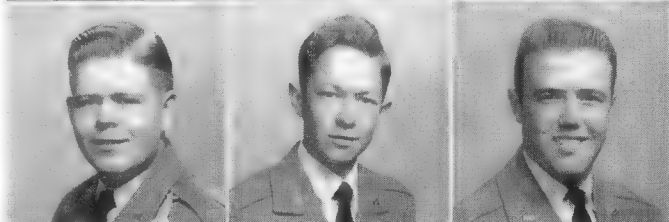

Third Year Men:

President—Peyton Moore
Vice-President—Ed Quillin

To The Stars—Highest Honor At A. M. A.

Ad Astra Per Aspera

Col. Charles S. Roller, Jr.

Founder

Lt. Sam S. Wales

Sgt. Paul H. Bratton

To be elected to this honorary fraternity is the highest honor that can come to a member of the cadet corps. He need not be a member of the Senior Class, although a canvas of the annual selections usually brings out the fact that it is generally a Senior who becomes the recipient of this great honor.

The fraternity is now in its 27th year of existence, having been founded in 1925 by our principal, Col. Charles S. Roller, Jr.

A check of the 260 members who have been elected to this society reveals that this honor usually follows them with success in future life. Men in all walks of life look back upon this honor as the beginning of their real success in life.

The motto—"Ad Astra Per Aspera" comes from the Latin and is translated "To the Stars through Difficulties". The cadets receiving this award must have lived up to this motto as it implies the best.

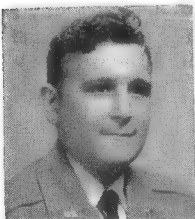

Members of the fraternity, oldest members of the faculty vote upon the ten best cadets in their opinions. New cadets and day students are not eligible for election.

There are five Ad Astras in school, in addition to the founder, and all are members of our faculty: Lt. Sam Wales, '37; Lt. Col. J. C. McCue, Jr. '39; Sgt. Paul Bratton, '48; Lt. Col. H. D. Deane, '50 and Major Paul V. Hoover, '50.

Young Men's Christian Association

According to Bob Ripley, the Augusta YMCA is the oldest organization of its kind in the world.

It is an outgrowth of the weekly Sunday Bible Class begun by the wife of Prof. Charles S. Roller, founder of Augusta. Mrs. Belle Walker would invite students of the early Augusta Academy to her home for an hour's devotion of inspiration and prayer.

Later after she died, her son, the late Col. Thomas J. Roller, carried on the idea begun by his mother and each year one witnessed an increased interest in the religious life of the cadet.

In 1920 Mrs. Warren S. Robinson, daughter of Mrs. Belle Roller, took over the YMCA and she has been in charge ever since.

Meetings are held weekly and speakers from all walks of life give talks to the cadet assemblage. Musicians and Musicales are frequent features of this rounded-set of worthwhile programs.

Among the featured programs are those held at the Opening of School, Thanksgiving, Christmas, Easter Sun Rise Service, Mother's Day and Final Meeting—all of which attract interest and inspiration.

One of the purposes of the YMCA is to assist the unfortunates of Staunton and vicinity. The offering taken at Christmas YMCA goes to provide the "Turkey with all the Fixins" for the Christmas Dinner for the Orphans of the Lynchburg Home—a custom begun 32 years ago and never once missed.

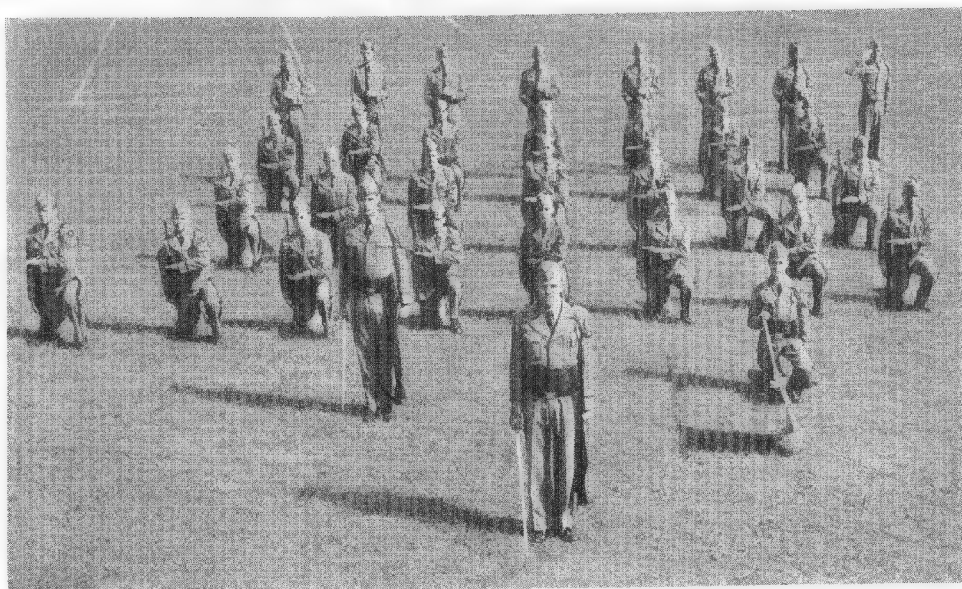

Credit must be given to the director of the YMCA, Major Paul Hoover for his active interest in securing such a wide variety of programs which make the YMCA successful.

Mrs. Warren S. Robinson gives freely of her time to further this most important of all cadet activities.

The Roller Rifles

This is the sixth year of existence of the Roller Rifles, the crack drill team of Augusta. It is an honorary platoon composed of the most military and best-drilled cadets in the school for show and competitive purposes. This military unit was organized to perpetuate the memory of the late Lt. Charles S. Roller, III, and has as its honorary commander, Col. Charles S. Roller, Jr.

The honorary vice-commander is Miss Linda Morman Roller, daughter of the late Lt. Roller. The unit was founded by Capt. George E. Michael, a member of the A. M. A. faculty several years ago.

The faculty adviser is now Sgt. Paul H. Bratton. To become a member of the group, a cadet must be approved by the other members of the unit, the Professor of Military Science and Tactics and the Honorary Commander.

Many times throughout the school session the drill unit has competed with other military schools at various festivals and celebrations. The Apple Blossom Festival at Winchester, the Tobacco Festival in Richmond, Armistice Day, etc., are but a few where the unit has appeared and has always come off with top honors.

At Commencement of each year, a trophy—the Dick Young Trophy—will be awarded the captain of the Roller Rifles. Dick Young was the captain of the Roller Rifles 1949-50 and is now in the United States Navy Air Corps.

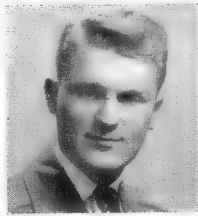

The officers of the Roller Rifles for this year were: Roger Messick, Captain; Bud Harwood, executive officer; Cole Sandridge, guidon bearer; Steve Anderson, Platoon Sergeant; Ed Quillen, Guide; Ernie Calvo, Will Saunders, Corky Gardner, Parker Ward—squad leaders.

The Ciceronian Literary Society has been found to be the oldest one of its kind in the world, having been founded in 1865 by the founder of Augusta, Prof. C. S. Roller.

The Augusta Military Academy "Melodeers"

Left to right—Deal, Mundin, Schwartz, Mitchell, Huntsberry.

After an absence of five years, the Augusta Orchestra has come out of retirement and prominently so.

The cadet considered to be the leader of the band is Tommy Mitchell who plays an unique style on his golden trumpet. His twelve years of familiarity with musical instruments is put to well-guided use in leading this group of cadets.

Ab Hunsberry is the pianist and is a cadet who has taught himself.

Ed Deal is second trumpet and his work with the AMA band comes into good use.

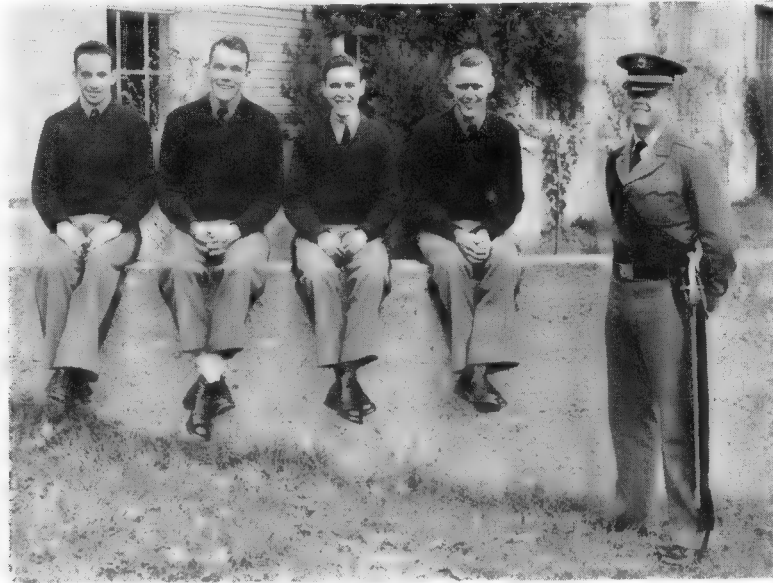

Pete Schwartz is the saxaphonist who can easily handle a clarinet and the piano.

The master wizard of the drums is Lew Mundin and his work is the basis of the entire orchestra. His originals are out of this world.

The orchestra has appeared at Fairfax Hall Junior College, Stuart Hall, Mary Baldwin College in recitals. Other appearances have been at private parties and informal academy dances.

Cotillion Club

Under the leadership of the officers of the Cotillion Club, many informal dances, the Thanksgiving Formal, Winter Formal, Pin-Up Queen Prom, were presented for the enjoyment of the cadets.

Orchestras of high repute enlivened the affairs, all of which added much to cadet life at Augusta.

Capt. C. E. Savedge, as adviser to the Cotillion Club, was of invaluable help in every way and is responsible for making the dances the success they were.

Decorating Committee

One of the unheralded and unhonored organizations at Augusta is the little publicized Decorating Committee. Long hours of work without any mention of reward, much less hope for any, is the outlook of this fine group of cadets who make our dances the success they are.

To transform the gymnasium into a castle, a skyscraper, a cabaret, a forest, a home at Christmas, is just another job to be done as far as the decorating committee is concerned.

The task undertaken is carefully scrutinized and work is begun after careful plans are made. The result—a work of art that everyone admires but appreciates very little for they do not realize the work and preparation necessary.

The chairman of the decorating committee was Cole Sandridge assisted ably by Bill Saunders, Brian Gardner, Hank Harris, Ty Jolliffe, Parker Ward, Harold Chow, Bill Ragland, Harold Robertson, Tomme Gamewell, Barnard Cockrell, Galen Metro, Page Saunders, Steve Logan and Pete Schwartz.

Final Ball

The 1952 Final Ball will be long remembered as one of the best in the long social history at this school.

This year the decorations and the theme was as a salute to the colleges of the United States.

The ceiling was in silver aluminum with the side walls in maroon huge columns, with every fourth column in white. In the center of the floor was a huge column from the floor to the roof of the gym. The column was illuminated from within.

The figure was from the same angle as the decorations—V's for Virginia—W-L for Washington and Lee—V. M. I. for Virginia Military Institute, etc.

Music for the affair was furnished by Joe Gleese and his Orchestra.

All cadets with the exceptions of the officers wore dress coats in the figure and the eight officers wore mess jackets. All girls carried large bouquets of red roses with the officers while those following the leaders carried not-so-large bouquets of flowers.

Cadet Roger Messick and Mrs. T. W. Messick and Cadet Cole Sandridge and Miss Ann Payne were the leaders of the figure.

Capt. C. E. Savedge deserves great praise for his untiring efforts to make this and all previous balls—dances to be remembered as long as time permits us to do so.

Major Albert Dalby Gives Illustrated Talk On West Point

On Sunday evening, October 7, Major Albert Dalby gave an illustrated talk on West Point today. Preceding his talk a sound movie on West Point introduced his subject. The speaker in the movie brought out the fact that the Military Academy has for its mission to train cadets for a military life and that the cadet's world is his home.

Major Dalby stated the three requirements for an appointment: (1) A sincere desire to be an officer; (2) Ability to pass the physical exam as well as the mental; (3) Willingness to take the setbacks set before you in a military career.

He stated that "those who try hard enough will in the end conquer all obstacles set in his path." "If a person sincerely wants to enter the Point and to of necessity good physical condition that nothing can stop him in his determination to reach his goal."

Regarding the recent expansion of a large number of cadets at West Point, he said, "This was a real example of how the honor system works. The cadets did not

Faculty Outshines Cadets at Opening Formal

Stork Visits Hunt Family, Leaves a Boy

Sergeant and Mrs. Joseph H. Hunt of the Military Department were visited by the stork recently and presented with a fine baby boy, who will bear the name of Robert Lewis Hunt. But a while there was some speculation as to whether or not Sergeant Hunt was not a distant cousin of Colonel Hunt. This however was quickly dispelled by both Sergeant Hunt and Colonel Hunt. At any rate

A Paper Without Equal In Its Class

Scott Momaday, Jackie Goldstein, Russ Muller.

The Bayonet

The Bayonet was founded just at the turn of the century and was published regularly until 1932 when the paper ceased publication for five years. In 1937 it started anew and in a different format. Again in 1941 it was reorganized and further changed and improved to keep up with the times.

However, the real change in the *Bayonet*, came in 1947 when it came into its present appearance. Since it has been the aim of every succeeding staff to improve on the previous year's outstanding accomplishment.

It is an active member of the National Scholastic Press Association, the Southern Inter-Scholastic Press Association, the Quill and Scroll Society.

The 1951 *Bayonet* won first place honors at S. I. P. A.—Southern Interscholastic Press Association and at N. S. P. A.—National Scholastic Press Association, and the Quill and Scroll Society.

Major Paul V. Hoover, the adviser, is responsible for the many and up to date new features that have been added to the *Bayonet* in the past eight years.

It has been the continual goal of the RECALL staff to produce a bigger and better year book each year. It is difficult to imagine the research, toil and time which contribute to the success of an outstanding year book. In the views of an average person, a year book is nothing more than another publication. It would be hard for them to realize the itemized proportions that go into the production of such an enterprise. Selling books, soliciting advertisements is only a small portion of the task.

Making the dummy, the write-ups, the photography, etc., are but a few of the many items and tasks necessary for a first class annual. The few who actually do the work have only their personal satisfaction on a job well done to pay them for the many extra hours they have to spend. Their work is recognized nationally and statewide when they are awarded First Place Honors—for 1951 RECALL—as they won in the contest conducted by the National Scholastic Press Association at the University of Minnesota. High Honors were also won in the S. I. P. A. contest conducted by the Southern Inter-Scholastic Press Association at Washington and Lee University. Such honors made the staff feel that they had done a good job.

The 1950 RECALL won first place honors in National Scholastic Press Association, of University of Minnesota.

This years, thanks to a capable staff and the worthy advice of Major Paul V. Hoover, it is our belief that we have turned out a worthwhile addition that is certain to find a place among the long list of other top rate year books, that have proven an Augusta heritage.

A Glimpse Into 1977

Class Prophecy

By Scott Momaday, (AP)

Alumnus Pete Angle of Cool Characters Incorporated, who has just helped President Cuervo, clean out the vice rings of Cuba will be here to present the award for best rifleman of A. M. A., which has the biggest rifle team in the country due to the fact that the new rifle range now has twenty-five lanes and chromium plate rifles.

The famous "Alumni Game" will be played tonight and the betting is heavy that former cadet Sam Arbuckle will be top scorer. He recently led the pro-basketball ranks again in '77 with a total of 3298 points.

The new wing of Barracks with its inlaid murals of a full football team in action faces directly across the quadrangle from the new Alumni Building of 270 rooms where most of the alumni from our class are staying. This new white brick building constructed by "Herrera and Castella Building Corporation", houses such great Alumni as:

Johnnie Cake, who has recently defeated the Bantam-weight wrestler from Australia, and now holds the world's title.

Calvo E., winner of the Nobel Peace Prize, who is here along with Vice-President Schonborn to dedicate a plaque of friendship between the Latin American countries and the U. S. A.

North Carolina Congressmen, Carstarphen and Craven, who stopped by before going on to the capital to discuss North Carolina's secession from the union because of President Stivers' plan for the abolition of sun lamps.

John Collins, internationally famous ship builder who is here attending the graduation of his son.

Brigadier General Carter H., the Army Chief of Staff, who last night delivered a radio broadcast from the "Big Room" on the "Necessity for R. O. T. C. training."

Professor Davies of Penn State, and Ed Deal who now supervises the body-building courses of the new A. M. A. college section.

The two top American scientists, Pat Dehart and Chad White who are now working on a new theory of atomic fission in the extensive A. M. A. laboratory.

Class Prophecy

Mr. J. A. Fernandez, who has become the educational head of Cuba, and is here to confer with General C. S. Roller about an exchange of scholarships.

Mr. Gardner, who is now the international chairman of the "French Club of the World" and who just finished writing a 12 volume generalized grammar book for backward French students.

Mr. Jack Goldstein, who has just recently revised the mathanalysis and higher calculus theory.

Captain H. Harris, of the underground balloon corps, and who has just invented a new type submarine that never has to surface once it submerges.

Mr. Guteirrez, world's foremost biologist is here bisecting with Colonel Savedge in the new 10 million dollar biology lab.

Mr. Buddy Harwood, who is the new owner of the Richmond Country Club that was recently owned by Bill Ragland. Mr. Ragland who is also a prominent biologist and chemist will make the Chemistry presentation at the final exercises two days from now.

Ty Jolliffe and Raul Lopez, who are here now before going abroad to the international Wrestling meet, where they are expected to take top honors in their classes.

Mr. Kivlighan, who has again been elected the mayor of Staunton, will unveil a new 100 foot statue of Colonel T. J. Roller which will grace the fifteen square mile campus in the middle of the Quadrangle and will tower a few feet above our now eleven story barracks.

Mr. Steve Logan phoned earlier today and informed the guard that due to circumstances beyond human control, he will not be able to attend the final exercises, but he assured us that he would see everything on one of his Logan Lightning Television Sets.

Mr. Roger Messick arrived today to present the annual medal to the Division Commander of our now six battalions.

Tom Mitchell and his "Michelladians" will arrive tomorrow to present the Final Ball music. Tom has made a great name for himself and has just returned from the Orient where he is in great demand.

Class Prophecy

Mr. Peyton Moore, a dabbler in Southern Politics, has just completed new plans for the Louisiana State Capital. He and his wife are expected to arrive at any moment.

S. O. Nunn, who took time out from his rancho in Santa Fe, New Mexico, to be with us, is engaged in writing a novel about life in the West. Sy has written many other novels that everyone has read at one time or another.

Mr. Walter Parker, of the famous Parker Laboratories is here showing Colonel Roller a new fabric for white dikes. This specially treated fabric stretches, will not shrink, and never needs washing.

Mr. Sam Quillen, Governor of Maryland, who just recently made his famous crusade against "Acholies Unanimous", has just arrived to present a scholarship to the University of Maryland to some worthy cadet.

Professor Ray, from the University of Tennessee, is strongly considering the same position here.

Mr. Riddle of the Riddle Chain of Barber Shops is here to give free demonstrations of the style that made him famous.

Major General Sandridge, due to his European Assignment will not be able to attend. Major General Sandridge is strengthening the diplomatic relations with Europe.

Rev. Gatewood Sibley, that great Episcopalian Bishop, will preside over the final meeting of the Y. M. C. A., here at Augusta this year.

Mr. Varner, of the Varner Steel Organization, has set a new record in light tank production. He broke his own last years record by producing 157,000,000 light tanks in twelve months.

Mr. Ernie Ward, political writer of Covington, Ky., will begin conducting a class of constructive writing here next fall. And last but not least, is Captain Wong who will conduct next years band. He has studied music in Paris and is a master of the new style of gloop which will be played by the hundred and one piece band company of next year.

The Ninth Pin-Up Queen of The A. M. A. Cadet Corps

MISS BLANCHE WILKINS

The Augusta Pin-Up Queen Dance, one of the highlights of the social season, was held in the Memorial Gymnasium on Friday evening, May 2.

This was the ninth annual dance in honor of the Augusta Girl.

The Princesses for the Augusta Girl for 1952

MISS JUDITH GAIL
PATTISON

MISS LOIS
SUTER

MISS ROY ANN
PAYNE

Miss Blanche Wilkins, Rocky Mount, N. C., was chosen the Augusta Girl for 1952. Miss Wilkins was escorted by Cadet Biff Carstarphen, Tarboro, N. C.

The Pin-Up Queen Committee appointed by Col. Charles S. Roller, Jr., chose as First Princess Miss Judith Gail Pattison, Mary Baldwin College and San Antonio, Texas. She was escorted by Cadet Sam Quillin, Salisbury, Md.

Miss Lois Suter, Dayton, Va., was selected to be the second princess to her Royal Highness and was escorted by Cadet Frankie Suter, Staunton, Va.

Miss Roy Ann Payne, Charlottesville, Va., was named to be the third princess to her Majesty and was escorted by Cadet Cole Sandridge, Crozet, Va.

Inaugurated by the Bayonet Staff and the Cotillion Club of 1943-44, the affair has gained in competition and popularity with each succeeding years. The Queen and her Court of Princesses were honored by a dance with the Queen being crowned by our principal, Col. Charles S. Roller, Jr., in an impressive ceremony.

Following the dance, there began a glorious weekend which feted the Queen and which included many activities in her honor. The affair came to a close with a Full Dress Parade, Sunday afternoon following the dance.

Music for the Coronation Ball was furnished by the Royal Virginians, Staunton, Va., and was attended by girls from nearby schools and colleges and surrounding towns, many states and foreign countries.

ZAMSKY STUDIOS

1007 MARKET STREET, PHILADELPHIA

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolic of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!

'Till We Meet Again

'Tis hard to lose school chums forever,
And friends that are dearer than life;
Like a big family disbanding
As they enter life's long hard strife.
We shall think of school teachers and boys;
Of each with a smile and a tear
And hope for a happy reunion
Some time in the future that's near.

We'll miss the old school in the country,
And friends who were always true blue,
We'll think of our good times together,
And also the burdens we drew
We'll be glad when September comes
With football and the autumn winds;
But we'll miss the graduates a lot—
The boys whom we've left behind.
